A lightly edited MP4 for your team to keep, for internal use. Yours in perpetuity.

Heavy customization Quoted at booking

Industry-specific build or new content.

FORMAT AND TIMING

In-person is the default. Virtual is available on request. Sessions run whenever fits your team — morning, afternoon, lunch hour, or end of day. Lunch isn't part of the package.

NOT INCLUDED

- Coaching or implementation after the session
- Building, configuring, or installing AI tools
- Writing policies, SOPs, or formal reports (those are separate engagements)
- 1:1 coaching with attendees after the event
- Travel outside the boundary above
- Multiple sessions in one booking — each session is its own engagement

Ready to talk it through?

Every engagement starts with a conversation, not a pitch.
